Presidents Message

Happy Holidays! Although thoughts of swimming and lounging by our beautiful pool are far from everyone's thoughts right now, please know that your volunteer Board of Directors has been diligently working to ensure a most successful upcoming 2012 season at Sideburn Run.

This year we are most fortunate to have several SRRA members willing to take on the duties of a Director for the first time. In addition, we have 3 returning members stepping up for another two-year term. They are listed on the next page on the ballot. Please support them by endorsing their candidacy on the ballot, which is on the flip-side of this paper. We ask that each bond member respond with your vote at this time.

We do have a few changes on the board heading into 2012. First, a big thank you to Victoria Fisher who has completed a 4yr term. In addition, Danielle Furlich and Pat Soto are moving on after this season. The contributions made by these individuals cannot be measured. Each has gone above and beyond in service to the pool and its members. They have given their time and shared their considerable talents to make our pool the best in the area.

Thank you for taking the time to endorse our slate of candidates to the Board of Directors. Please let us know how the Board can continue to make our pool one in which we can all be proud.

- **Greg Schuler** President

Swim and Dive Team Update

Thanks to all who participated in the December 15th meeting to discuss the Swim Representative position description and selection process. Please watch for an email around January 8, 2012 with a call for volunteers and applications for the Swim Team Rep position for the 2012 season. The information will include the abbreviated selection process for this year, a new position description and a list of other volunteer positions. We look forward to hearing from many of our swim team parents and their interest in supporting the Sideburn Run Sharks Swim Team.
